

# Tile Cleaner

Product Code: NSF-8333

Nu-Safe Tile Cleaner is a degreaser and safety treatment combined to remove grease build-up and improve floor traction.

## ***Features & Benefits***

- Daily maintenance floor cleaner and degreaser
- Removes grease, soap scum, and other build-up
- Safe on surface and grout
- Works great on concrete floors as well as tile
- Increases coefficient of friction (COF) and floor traction reducing slip and fall accidents on wet floors

## ***Product Details***

- Safe on ceramic tile, quarry tile, porcelain, terrazzo, and concrete
- Available in 4 gallons per case
- Test on a small area for compatibility
- Not recommended on marble or high gloss floor surfaces

*Good housekeeping programs should be implemented to maintain floors properly!*

## **DIRECTIONS FOR USE**

**How to use:** Cleaner may be used with a clean mop, cloth, sprayer, sponge, pressure washer, or steam cleaner. Apply cleaner evenly on the floor and allow to dwell for 5-10 minutes, then agitate if needed. Scrub the floor briskly, then rinse with hot water and absorb excess water.

**General Cleaning:** Mix 4-6 oz. per gallon of cold or hot water depending on the degree of build-up.

**Grease Removal:** Mix 6-8 oz. per gallon of cold or hot water depending on the degree of build-up.

**Kitchen & Food Processing Areas:** When removing grease from surfaces mix 8-10 oz. with water. Surfaces that food may contact should be rinsed with hot water.

Manufactured for: Nu-Safe Floor Solutions, Inc. 44 Cummings Drive, Suite A, Walton, KY 41094 • 1-800-275-7771
